

# *Christadelphian Israeli Children's Fund*

*And I will bless them that bless thee... Genesis 12:3*

June 1, 2025

Greetings, Brothers and Sisters in our Lord Jesus Christ.

In 1943, the Jerusalem Children's Home was established to care for children traumatized by the Holocaust. It has continuously provided care and effective treatment for children with severe mental health problems resulting from family dysfunction amidst constant threats of war and terrorism. The *Christadelphian Israeli Children's Fund* (CICF) was founded to support the Children's Home, now known as *The Jerusalem Hills Therapeutic Centers* (JHTC or the Home).

## **Israel's Prophesied Isolation Increases**

The world was shocked on October 7, 2023, as Hamas fighters killed about 1200 civilians and took 240 hostages from southern Israel. Initial sympathy has faded and world opinion continues to turn against Israel, as videos and pictures are seen daily of starving Palestinian babies and bombed-out dwellings, schools and hospitals. Israeli forces continue their mission to eliminate Hamas terrorists and free remaining hostages. This results in more news that fuels growing antisemitism around the world. The stage is set for Israel's invasion by surrounding Islamic nations (Psalm 83, Zech. 12-14) and its ultimate rescue by the Messiah.

## **Impact on the Children's Home**

About a third of the Home's children are from southern Israel, so they or their families are directly affected by the Hamas attack and ongoing stresses of the war and hostage situation. Many of the staff have been called up for military duty, placing further stress on the Home.

## **What does CICF do?**

From 1970 through the end of 2024, Christadelphians have supported the Home through CICF with cumulative gifts exceeding **\$750,000**. The entire amount of donations is transferred by CICF to the Home's registered charity partners in the USA and Canada. The partners issue tax receipts and transfer the funds net of expenses to support care and treatment of Israeli children.

## How to Donate?

Donations and *in memory* gifts for the Home can be made most conveniently by credit card online at [www.cicfund.org](http://www.cicfund.org). If preferred, you may still mail checks/cheques to the treasurer's postal address below. In order for tax receipts to be lawfully issued for the year, **mailed donations must be received by December 15<sup>th</sup>** to permit bank processing and transfer to the Home's charity partners by year end. **US checks** should be payable to **CICF**. **Canadian cheques** must be payable to **Canada Charity Partners**, referencing **Jerusalem Hills** in the memo/subject area at bottom left.
